All in one!

WET&DRY

Vacuums solids and liquids

Clean your garden in less time thanks to the Wet&Dry technology and its double filter, which absorbs solids and liquids in one pass on any surface.

BLOWING SYSTEM

Dirt's worst nightmare

The vacuum cleaner completes its incredible versatility with the blower function, a perfect ally for cleaning large gardens, facilitating house chores in the autumn period or drying areas that have been rinsed with water for a perfect finish.

POWER

Wipes out all dirt

Effortless deep cleaning with up to 1600 W of power for extreme suction. Also, its DC motor offers high performance so you can clean again and again as effectively as the first day.

AUTONOMY

Clean without limits

Get rid of dirt anywhere in the most comfortable way with the Wet&Dry Liberty vacuum cleaner, with a battery life of up to 45 minutes so you can clean wherever you want without making a mess and with maximum precision.

TANK

Light and ultra-resistant

Wet&Dry vacuum cleaners have an ultra-resistant, lightweight tank with a capacity of up to 20 L for non-stop cleaning in total comfort. They also include an easy-emptying system so that you can get rid of the dirt without touching it.

TRANSPORT

Reaches into every nook and cranny

Its multiple particle filtering system enables higher performance and extends the life of the vacuum cleaner. It also retains even micro-particles and ensures maximum efficiency day after day to give you a break.

Plug it in and let it vacuum up every last bit of debris.

INTEGRATED PLUG

Connect your tools

The Rockstar Wet&Dry Pro Tool model makes cleaning easier than ever thanks to its tank plug, so you can use the vacuum cleaner as an extension cord. Say goodbye to second plugs. Remove any debris in the quickest way, as you will always have the vacuum cleaner at hand.

DUST COLLECTION ACCESSORY

No more messy clean-ups

Forget about cleaning the work area after drilling thanks to this accessory, which allows you to vacuum the debris generated by the drill at the same time as the surface is drilled. Forget your worries and save time.

MULTIPHASIC FILTER

Retains even what you cannot see

Its large action radius makes it easy to get rid of all the dirt without having to move. Reach every corner thanks to its wheeled design and handle, which make it easy to transport so you can get rid of all the dirt in the most precise way.
