Mini fridges

Preserve your food in the best conditions with our range of practical mini fridges.

FOR TRAVELLING

The perfect accessory for your car or camper.

Created to cool your drinks or food on the go, the mini fridges will follow your steps on all your car or camper trips.

5 °C - 65 °C

Cools and keeps the heat in.

The mini fridges are able to cool down to a temperature of up to 5°C. However, the temperature of your culinary creations or hot drinks can also be maintained up to a maximum of 65 °C.

220 V

Maximum performance.

Its 220 V ensures that the mini fridges run smoothly. This way, you will always have a cold fridge and keep all your food in perfect condition on any trip.

UP TO 33 L

Impressive capacity.

Our mini fridges have a large capacity of up to 33 L, offering enough space to store all your groceries.

Bolero MiniCooling 4L Habana White

MiniCooling Habana White 4 L mini fridge, 12 V-220 V operation, car and caravan compatible, cooling and heating function, temperature range 7-65 °C, easy transport.

FEATURES:

Compact design with 4 L capacity.
12-220 V operation
Compatible with cars and caravans.

Bolero MiniCooling 20L Bahamas Mint

MiniCooling Bahamas 20 l mini fridge, mint colour, 12 V-220 V operation, compatible with cars and caravans, cooling and heating function, 7-65 °C temperature range, and easy to transport.

FEATURES:

Compact design with 20 l capacity.
12-220 V operation
Compatible with cars and caravans.
Cooling function: cools down to a temperature of 7 °C.
Heating function: it has a thermostat with a maximum temperature of up to 65 °C.
Temperature range from 7 to 65 °C
Easy and convenient transport.
Low-noise level of the mini fridge.

COMPOSITION:

Refrigerator, power cable, instruction manual.

Bolero MiniCooling 20L Bahamas Black

MiniCooling Bahamas 20 l mini fridge, black colour, 12 V-220 V operation, compatible with cars and caravans, cooling and heating function, 7-65 °C temperature range, and easy to transport.

FEATURES:

Compact design with 20 L capacity.
12-220 V operation
Compatible with cars and caravans.
Cooling function: cools down to a temperature of 7 °C.
Heating function: it has a thermostat with a maximum temperature of up to 65 °C.
Temperature range from 7 to 65 °C
Easy and convenient transport.
Low-noise level of the mini fridge.

COMPOSITION:

Refrigerator, power cable, instruction manual

Bolero MiniCooling 25L Bahamas Pat 1

MiniCooling Bahamas Pat 1 20 L mini fridge, 12 V-220 V operation, compatible with cars and caravans, cooling and heating function, 7-65 °C temperature range, and easy to transport.

FEATURES:

- Compact design with 25 L capacity.
- 12-220 V operation
- Compatible with cars and caravans.
- Cooling function: cools down to a temperature of 7 °C.
- Heating function: it has a thermostat with a maximum temperature of up to 65 °C.
- Temperature range from 7 to 65 °C
- Easy and convenient transport.
- Quiet: silent level of the mini fridge.
