**No smoke. No smell.
No grease.**

POWER

**Filter that improves air
quality**

With up to 210 W of power, you will instantly improve the air quality in your kitchen and keep it smoke-free at all times.

SUCTION FORCE

Forget about bad smells

Avoid unpleasant odours and keep your kitchen in a good atmosphere with a suction power of up to 1000 m³/h.

A++ CLASS¹

Maximum efficiency.

Save on every use every day while keeping a spotless kitchen, thanks to its A++ energy label.

Conventional mechanical hoods

Suitable for all types of stoves

Effectively removes smoke, grease and bad smells while keeping your kitchen clean and in the best environment. Perfect for all households. Perfect for all kitchens. Perfect for you.

 3 POWER LEVELS

Tailored operation

 LED LIGHT

Your kitchen, always illuminated

 UP TO 60 CM WIDE

Large coverage area

Bolero Flux CM 602200 White B

Flux CM 602200 White B conventional kitchen hood, 60 cm wide, white finish, suction power 220m3/h, Motor 70 W, Class B, mechanical control, 3 power levels and light.

FEATURES:

- Large kitchen hood: enjoy the 60 cm width of the kitchen hood.
- Innovative design: the kitchen hood has a white surface finish that will bring a minimalist design to your kitchen.
- Strong suction power: the kitchen hood is equipped with a suction power of 220m3/h that will remove unpleasant odours from your kitchen.
- Very powerful: the 70 W motor of the kitchen hood will allow you to improve the air quality and keep your kitchen clean at all times.
- Energy class B: high performance with low consumption.
- 3 power levels and light: adjust the operation of your kitchen hood thanks to its 3 power levels, and illuminate your dishes with its light.
- Mechanical control: easy and convenient to use.

Bolero Flux PM 604300 Black C

Bolero Flux PM 604300 Black C pyramidal kitchen hood, 60 cm wide, black finish, suction power 403m3/h, Motor 105 W, Class C, mechanical control, 3 power levels, light and aluminium filter.

FEATURES:

- Kitchen hood, 60 cm wide.
- Black finish.
- Suction power 430m3/h.
- 105 W motor power.
- Energy class C.
- Low noise level: 69 dB.
- Mechanical control.
- 3 power levels.
- 2-layer aluminium grease filter.
- LED lighting.

COMPOSITION:

Kitchen hood, assembly kit, instruction manual

65 x 24.5 x 52 cm 8.44 kg

Bolero Flux PM 606500 Inox A

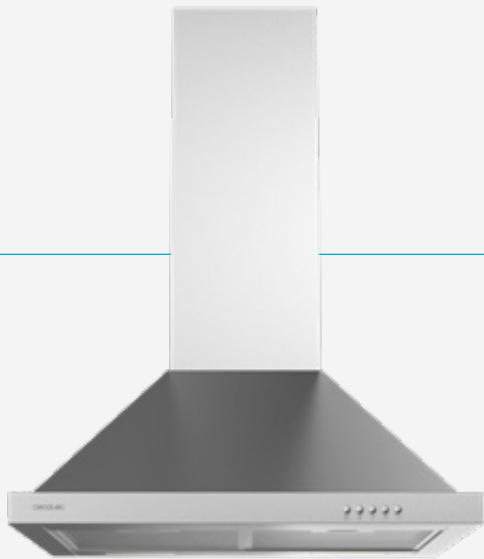

Bolero Flux PM 606500 Inox A pyramidal kitchen hood, 60 cm wide, stainless-steel finish, suction power 650m3/h, Motor 165 W, Class A, mechanical control, 3 power levels, light and carbon filter.

FEATURES:

Large kitchen hood: enjoy the 60 cm width of the kitchen hood.
Innovative design: the kitchen hood has a stainless-steel finish that will bring strength and design to your kitchen.
650 m3/h suction power: forget about smoke thanks to its high suction power of 650 m3/h.
Power to suck up everything: its 165 W motor power is ideal for sucking up all the smoke and vapours in the kitchen.
Energy class A: high performance with low consumption.
Mechanical control: manually select between the different functions offered by the kitchen hood, easily and intuitively.
You choose the power: control and regulate the suction power between its 3 levels, depending on your needs and tastes.
No bad smells: it has a carbon filter, ideal for eliminating both bad smells and smoke.
Protect yourself from grease: the kitchen hood contains a 5-layer aluminium grease filter.
LED lighting.

T-shaped hoods

Unique aesthetics

Enjoy a unique and modern look, which combines with its wide coverage to capture smoke, odours and grease in the most elegant way.

 **A++ CLASS¹ AND INVERTER MOTOR²**

Maximum efficiency, lower waste

 **HAND MOVEMENT CONTROL³**

Operate your hood with a single gesture

 **DELAY FUNCTION⁴**

Scheduled shutdown

 **ALUMINIUM FILTER**

Up to 5 layers

 **INCLUDES CARBON FILTER**

No trace of smoke or bad smells

¹The energy class varies depending on the model.
