1 TO 5 BURNERS

Cooking big in style

Use up to 5 burners¹ with different sizes and powers to prepare an infinite number of recipes. From the quickest to the most elaborate dishes, your preparations will always have that essential traditional touch.

UP TO 5.6 KW

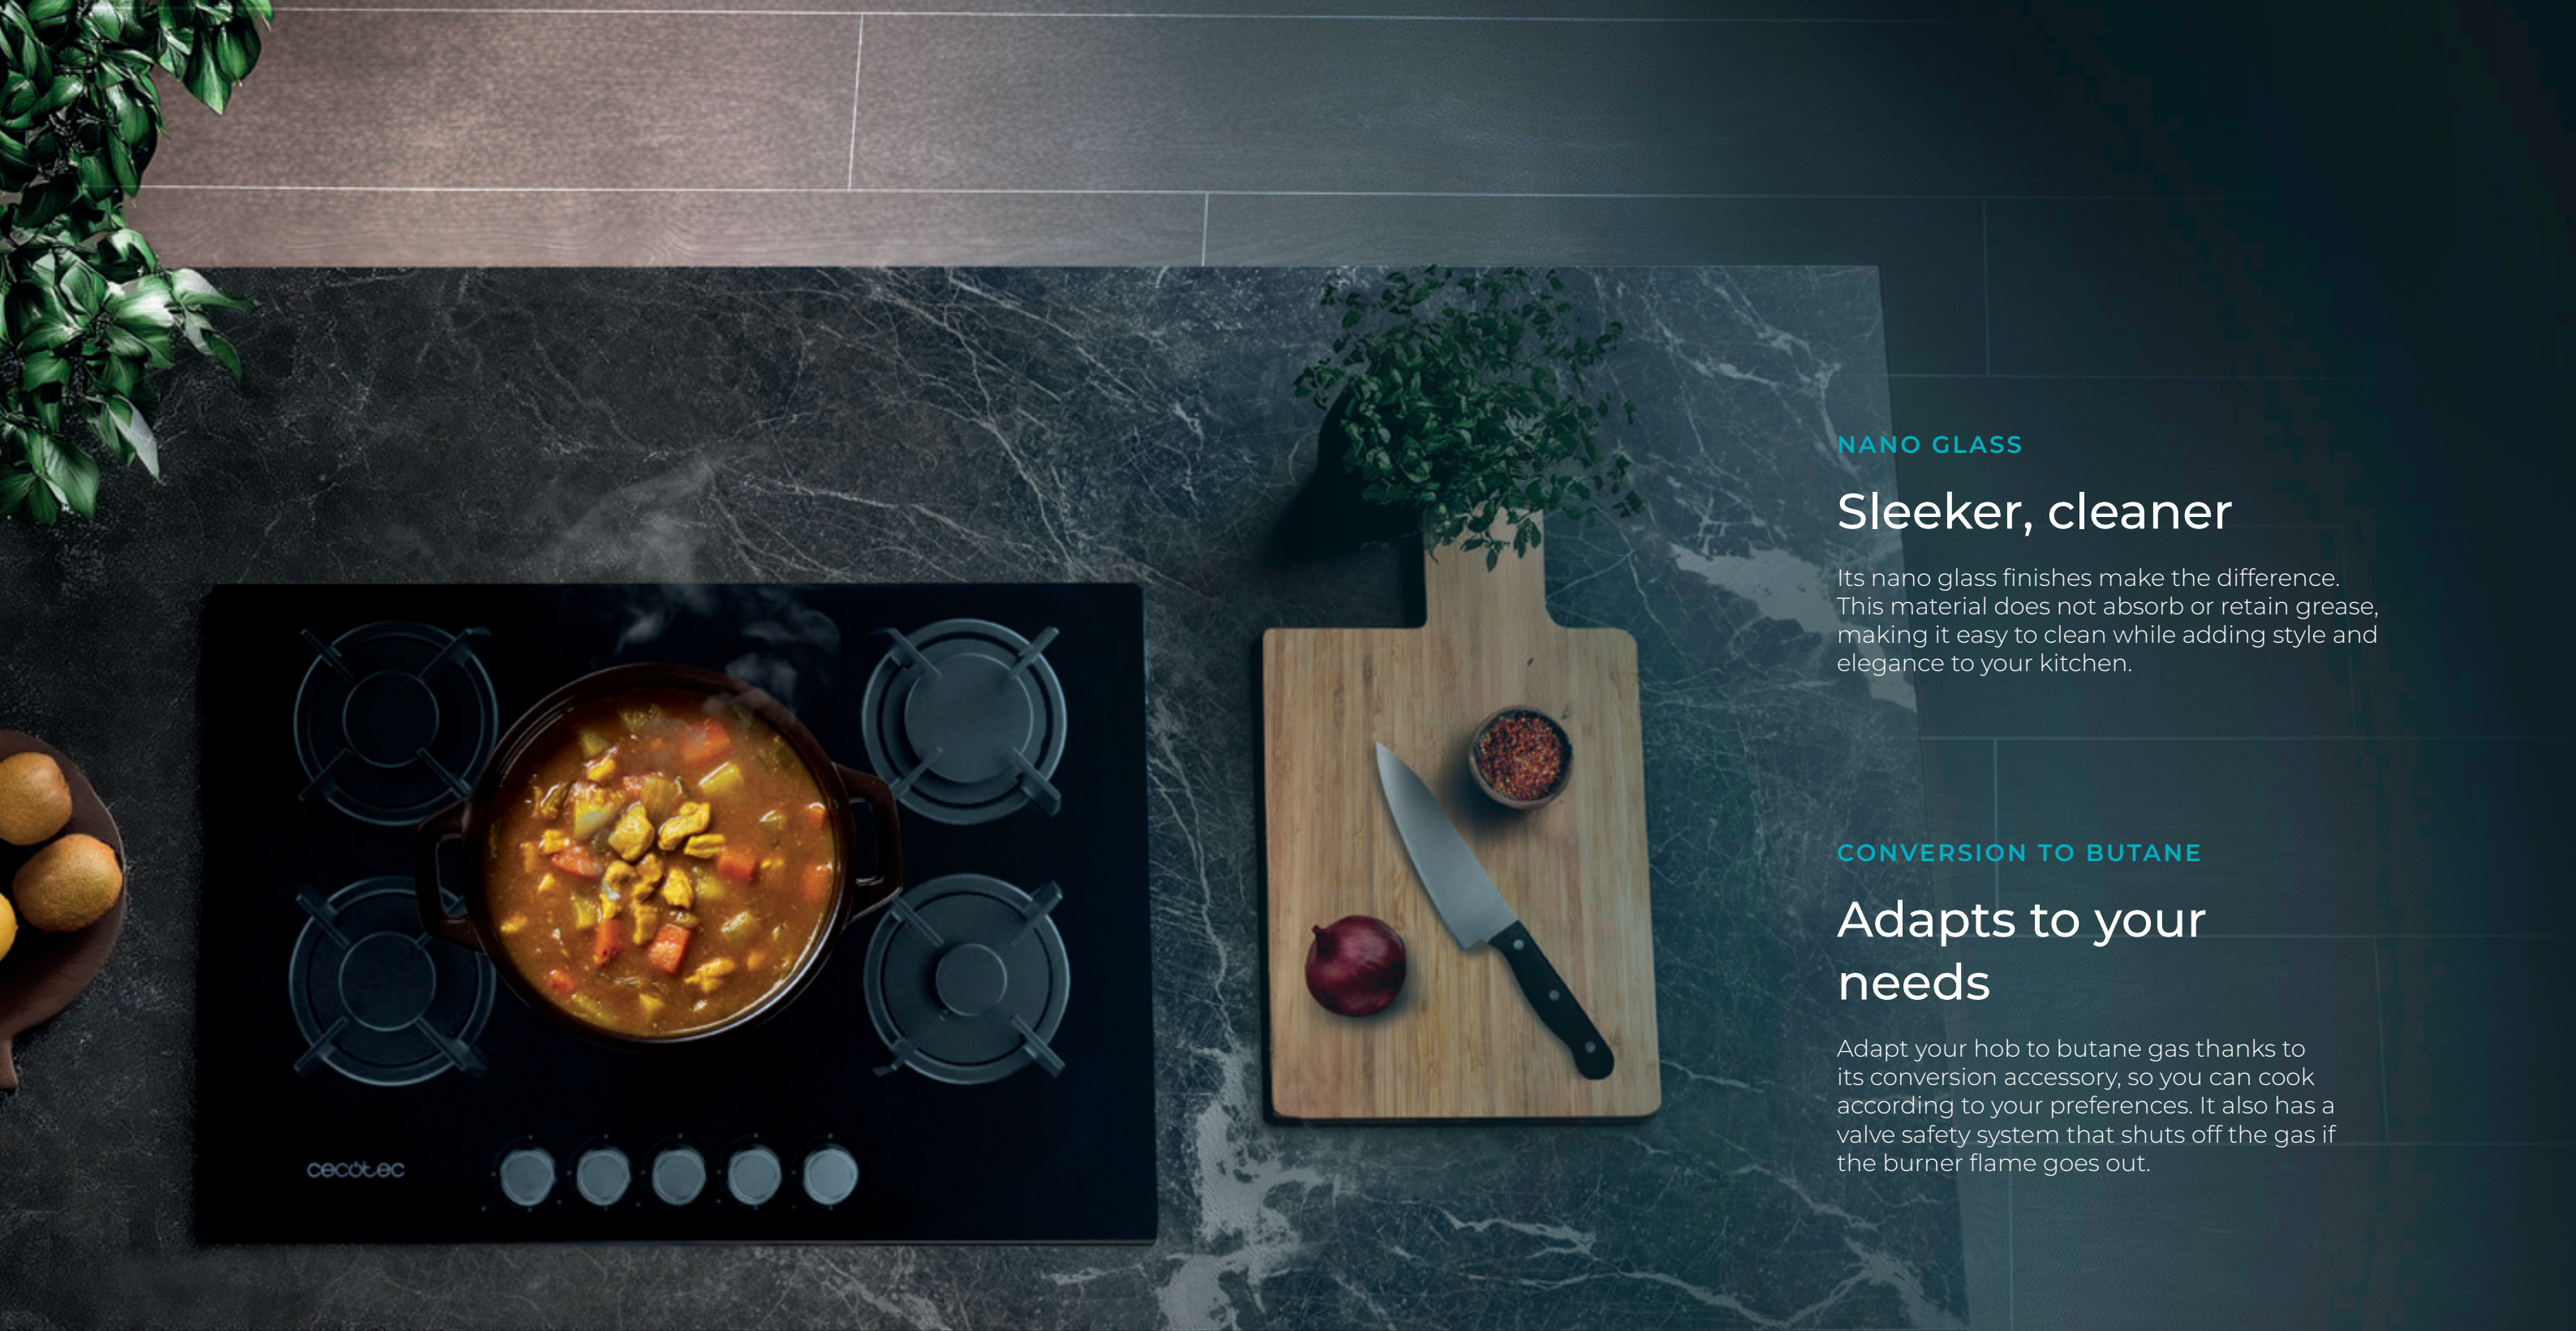

Eternal burner

At full power! Our gas hobs have a super powerful burner³ so you can cook recipes at high temperatures like a true professional.

IRON PAN SUPPORTS

A professional wok

The cast iron pan supports provide maximum stability and resistance to heat and shock, for less daily wear and tear. In addition, it includes a specific wok⁴ pan support for maximum enjoyment of Asian cuisine.

NANO GLASS

Sleeker, cleaner

Its nano glass finishes make the difference. This material does not absorb or retain grease, making it easy to clean while adding style and elegance to your kitchen.

CONVERSION TO BUTANE

Adapts to your needs

Adapt your hob to butane gas thanks to its conversion accessory, so you can cook according to your preferences. It also has a valve safety system that shuts off the gas if the burner flame goes out.

ELECTRIC IGNITION

Fast and convenient use

Start cooking instantly thanks to its electronic ignition. Just turn the knobs to activate the burners, for easy and convenient use.

INDUCTION AND GAS

The ultimate combination

Bolero Squad GI 3500 Hybrid FullFlex combines the advantages of gas and induction in one hob. Enjoy the speed and efficiency of induction, together with the versatility and precise control of gas, providing the best of both worlds in a single appliance.

HEAVY CAST IRON

Pan supports that are up to any task

Its Heavy Cast Iron pan supports are taller and sturdier, ensuring complete stability and greater safety in every use, so you can bring out your chef side unhindered.

Bolero Squad G 1200S Glass Black

Gas hob, 1 burner, black glass finish, individual cast iron pan support, 3500 W of power, WOK burner, electric ignition, valve safety system, for natural gas and butane gas accessory included.

FEATURES:

Bolero Squad G 5400S Nano Glass

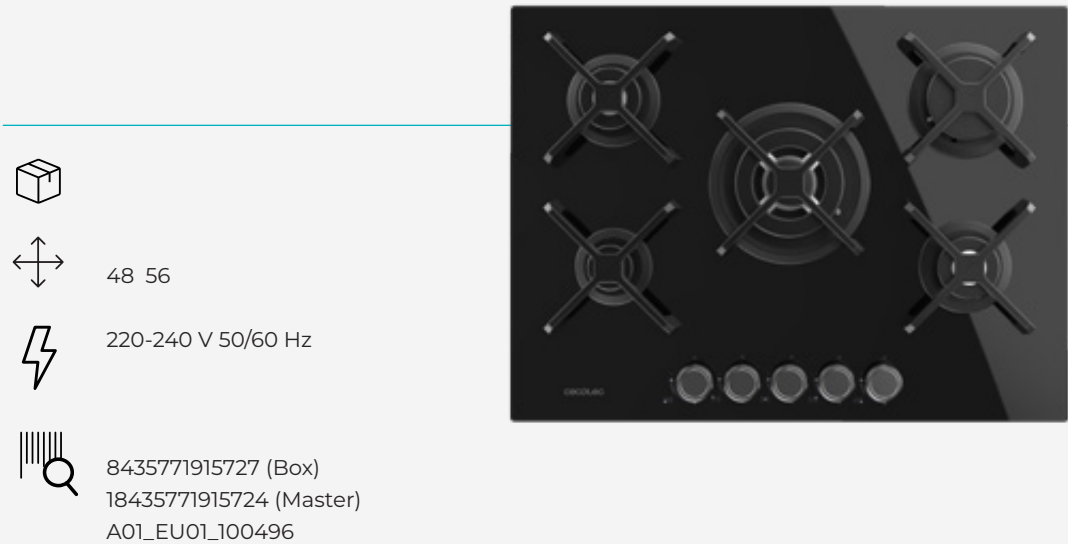

Cecotec Bolero Squad G 5400S Nano Glass 5 burner gas hob, 10.4 kW, Nano Glass, cast iron pan supports, WOK burner, electronic ignition, safety valve system, convertible to butane gas.

FEATURES:

5 burners. With five powerful burners, it is ideal for a large and elegant kitchen, allowing you to prepare multiple dishes simultaneously. It offers you the possibility to cook efficiently and without sacrificing high quality results.
Total power of 10.4 kW. 1 triple ring burner of 3.4 kW + 1 rapid burner of 2.4 kW + 2 semi-rapid burners of 1.8 kW + 1 auxiliary burner of 1 kW. This gas hob guarantees fast and even cooking, allowing you to save time in the kitchen and get perfect results every time.
Modern elegance with its matt Nano Glass finish, a black glass that is not only easy to clean, but also adds a sophisticated touch to your kitchen, keeping it spotless and always sparkling.
Individual cast iron pan supports. Individual cast iron pan supports provide superior stability for your pots and frying pans, ensuring even cooking and offering long-lasting strength.
WOK burner. The WOK burner allows for even heat distribution, ideal for cooking Asian dishes and other recipes that require intense, even heat.
Electric ignition. Electronic ignition facilitates quick and safe starting without the need for matches or lighters, offering greater convenience and safety.
Valve safety system. The safety system automatically cuts off the gas supply if it detects that the flame has been accidentally extinguished, protecting your home from possible accidents and ensuring your family's peace of mind.
Accessory for conversion to butane gas. It includes an accessory for conversion, giving you the flexibility to choose between natural gas or butane according to your needs and availability.

COMPOSITION:

Gas hob, 5 individual pan supports, conversion kit, instruction manual.

Bolero Squad G 5400F Glass Black

Cecotec Bolero Squad G 5400F Glass Black 5 burner gas hob, 10.4 kW, Glass Black, cast iron pan supports, WOK burner, electronic ignition, safety valve system, convertible to butane gas.

FEATURES:

5 burners. With five powerful burners, it is ideal for a large and elegant kitchen, allowing you to prepare multiple dishes simultaneously. It offers you the possibility to cook efficiently and without sacrificing high quality results.
Total power of 10.4 kW. 1 triple ring burner of 3.4 kW + 1 rapid burner of 2.4 kW + 2 semi-rapid burners of 1.8 kW + 1 auxiliary burner of 1 kW. This gas hob guarantees fast and even cooking, allowing you to save time in the kitchen and get perfect results every time.
Modern elegance with its black glass finish, Glass Black, which, as well as being easy to clean, adds a sophisticated touch to your kitchen, keeping it spotless and always sparkling.
Full cast iron pan supports offer maximum stability and strength, guaranteeing a solid base for your pots and frying pans, withstanding daily use without wear and tear.
WOK burner. The WOK burner allows for even heat distribution, ideal for cooking Asian dishes and other recipes that require intense, even heat.
Electric ignition. Electronic ignition facilitates quick and safe starting without the need for matches or lighters, offering greater convenience and safety.
Valve safety system. The safety system automatically cuts off the gas supply if it detects that the flame has been accidentally extinguished, protecting your home from possible accidents and ensuring your family's peace of mind.
Accessory for conversion to butane gas. It includes an accessory for conversion, giving you the flexibility to choose between natural gas or butane according to your needs and availability.

COMPOSITION:

Gas hob, 3 full pan supports, conversion kit, instruction manual.

Bolero Squad G 5400S Inox

Cecotec Bolero Squad G 5400S Inox 5 burner gas hob, 10.4 kW, stainless steel, cast iron pan supports, WOK burner, electronic ignition, safety valve system, convertible to butane gas.

FEATURES:

5 burners. With five powerful burners, it is ideal for a large and elegant kitchen, allowing you to prepare multiple dishes simultaneously. It offers you the possibility to cook efficiently and without sacrificing high quality results.

Total power of 10.4 kW. 1 triple ring burner of 3.4 kW + 1 rapid burner of 2.4 kW + 2 semi-rapid burners of 1.8 kW + 1 auxiliary burner of 1 kW. This gas hob guarantees fast and even cooking, allowing you to save time in the kitchen and get perfect results every time.

Stainless steel finish. The finish not only adds a stylish and modern touch to your kitchen, but also offers excellent durability and ease of cleaning.

Individual cast iron pan supports. Individual cast iron pan supports provide superior stability for your pots and frying pans, ensuring even cooking and offering long-lasting strength.

The triple-crown WOK burner allows for even heat distribution, ideal for cooking Asian dishes and other recipes that require intense, even heat.

Electric ignition. Electronic ignition facilitates quick and safe starting without the need for matches or lighters, offering greater convenience and safety.

Bolero Squad GI 3500 Hybrid FullFlex

Cecotec Bolero Squad GI 3500 Hybrid FullFlex gas hob. Induction power of 3400 W, 9 speeds with Booster function, FullFlex Zone, Keep Warm and Stop&Go function; 3.4 kW wok burner, electronic ignition, safety valve system, cast iron brackets. The perfect combination for your kitchen!

FEATURES:

Induction hob and gas hob in a single appliance: Cecotec Bolero Squad GI 3500 Hybrid FullFlex combines the advantages of gas and induction in one hob. This duality allows you to enjoy the speed and efficiency of induction, together with the versatility and precise control of gas, providing the best of both worlds in a single appliance.
The induction zone offers an impressive 3400 W of power, ensuring fast and efficient cooking. This means you will be able to reach high temperatures in less time, optimising your cooking times and obtaining perfect results in every dish.
9 adjustable speeds and Booster function that provides an instant increase in power. With these options, you can customise the heat intensity for each recipe, ensuring precise cooking tailored to your needs.
The FullFlex Zone allows you to cook with cookware of any size, as it automatically adapts to the surface of the cooking utensil. This flexibility maximises cooking space and gives you total freedom in the kitchen.
Keep Warm and Stop&Go functions add convenience to your cooking experience. The Keep Warm function keeps food at the ideal temperature until serving time, while the Stop&Go function allows you to pause and resume cooking without losing programmed settings, ideal for handling interruptions.
Modern elegance with its black glass finish, Glass Black, which, as well as being easy to clean, adds a sophisticated touch to your kitchen, keeping it spotless and always sparkling.
1 WOK burner of 3.4 kW: The 3.4 kW WOK burner is designed for high power, perfect for stir-fries and dishes that require high temperatures. This feature allows you to experiment with Asian recipes and get professional results at home.
