SCOBa

Ultralight upright
vacuum cleaner

SCOBa

The broom of a new era.

The new Scoba vacuum cleaners are a real revolution in household cleaning since they are the agile, comfortable, simple and electric substitute for the traditional broom. Forget about it together with the dustpan and the hassle of using them, and move on to the world's easiest and most instantaneous cleaning with the Scoba upright and handheld vacuum cleaner.

OMNIDIRECTIONAL BRUSH

Easier to use than a broom.

Forward, backward, sideways, curves or circles. Thanks to the two circular bearings in the base, the Scoba upright vacuum cleaner moves in all directions with such amazing ease that you won't even notice you're cleaning.

ULTRA-LIGHT

Light as a feather. A real champion.

Cleaning with the new Scoba vacuum cleaner is extremely comfortable due to its low weight and super power, which allows anyone to move it without any complications. The handheld vacuum cleaner only weighs 0.73 kg, and the upright one 1.55 kg. The lightest in its class in both versions.

Versatile.

Switch from upright to handheld with one click and in two seconds. Also, if you want to go back to the upright vacuum cleaner, another click and done! Cleaning with Scoba is agile and fast.

POWER 210 W

No weaknesses.

With its state-of-the-art digital motor that boosts its 210 W, it vacuums up all types of dirt, maximising its 20 kPa suction with the Force Sonic technology. Outrageous power for its light weight.

RANGE

Scoba gives you more.

It has an autonomy of up to 45 minutes, perfect for a general sweeping of the house, vacuuming the table after a meal or doing small daily tasks for a long time in no time at all.

Modes.

Adapt the use of the vacuum cleaner to every circumstance with the Eco mode to extend battery life even further, and the Turbo mode to suck up the tough stuff.

DOUBLE ROLLER BRUSH*

An unbeatable union.

Maximise cleaning power with the perfect union of the Jalisco brush, ideal for hard floors and micro-dirt, and the multifunctional brush, with silicone bristles capable of scraping the toughest dirt off even from carpets.

JALISCO

- It captures the tiniest dust particles.
- Ideal for hard floors and parquet.

MULTIFUNCTIONAL BRUSH

- It drags hairs and large dirt.
- Scrapes and descales
- Efficient on carpets

Pet Style, love for your pet.

The Scoba Twice Animal model includes a package of specific accessories for the care of your pet, whether it is a dog or a cat, so that it is always flawless. It consists of a vacuum brush and a vacuum hair trimmer.

With more accessories.

Intensify the cleaning of your home with the accessory pack* included with your Scoba vacuum cleaner, allowing you to give upholstery, furniture and walls a better treatment in the quickest and most convenient way. In addition, all models come with a wall bracket to keep your Scoba close at hand.
