TOTAL DESTROY

Unique blades.

The world's first blender with Total Destroy technology. An innovative system of 8 counter-rotating blades with reverse rotation for unique results. While the central block cuts and grinds the food, the four outer blades wipe clean the blade guard, move the food and cut again, increasing the impact on the food.

RESULTS

6 times finer results.

The effectiveness and destructive power of Total Destroy blades achieve 6 times finer results¹ no matter how hard the food is. Reach where others do not and forget about fibres in your preparations.

¹Compared to Cecotec hand blenders without Total Destroy.

PERREO MOVE

It couldn't be easier.

Get the ideal point of your preparations effortlessly thanks to the patented up and down movement of the Total Destroy blades, which increases cutting efficiency, avoids splashing and reduces the effort and time required for grinding.

POWER AND SPEEDS

It can destroy anything.

Whisks any ingredient, no matter how hard it may seem, thanks to its powerful motor of up to 1500 W, so you can always achieve the texture you are looking for in every recipe.

Speeds.

Get maximum precision every time thanks to its 21 speeds. Always get the texture you are looking for. And if you need extra power, choose the Turbo function and grind effortlessly doing its best.

ACCESSORIES

A big family.

Bring out your creative side and cook without limits. It chops, cuts, grinds, blends, mixes, whips, purées and even kneads with perfect results in record time.

Counter-rotating PerreoMove technology: 4 titanium-coated blades with increased hardness and sharpness to blend the hardest foods and obtain uniform, fine results.

XL model with extra-large stick for greater reach and comfort. Prevents splashing.

Splashproof blade protection that allows for a cleaner use when blending and crushing, avoiding stains.

Fix Plus system that ensures an easy assembly and disassembly of the stick and accessories.

Adjustable speed setting and Turbo function, guarantees the perfect blending for every type of recipe.

Blends, minces and crushes all types of food in the minimum time, including ice.

Ergonomic design and buttons that allow an easier use and a longer service life.

Soft Touch coating: Better control with its soft touch grip, adapts to your hand.

800-ml measuring cup with capacity for 800 ml and BPA-free. Lid included.

COMPOSITION:

Hand blender, 800 ml cup with lid, food processor, chopping blade, reversible shredding and slicing discs, balloon whisk, blending whisks, potato masher, spiraliser, instruction manual

	45 x 25 x 29 cm 5.3 kg 51.5 x 31 x 46.8 cm 11.5 kg
