Rediscover the power of steam

UP TO 1700 W

Impeccable upholstery in just one pass

Even micro-dirt is eliminated thanks to its incredible power of up to 1700 W¹ for perfect results in a single pass.

SPRAY

More professional.
Faster.
More efficient.

Discover Carpet Clean's new asset. Its atomizing spray generates steam² in less than 1 minute, facilitating the drying of your upholstery while removing even the deepest dirt in a quick and efficient way.

Stains? Dirt? Nothing can resist it!

DOUBLE WATER TANK

Keeps water always clean

Fill the clean-water tank (maximum capacity of 20 L¹) and don't worry about anything else. The dirt will go into the waste-water tank (maximum capacity of 4 L¹) so you can enjoy maximum efficiency in each pass.

Clean-water
tank

Waste-water
tank

WET & DRY

Vacuums solids and liquids

Dropped your coffee cup? Or maybe your cereal? Say goodbye to mess with the Wet & Dry function, which effortlessly gets rid of stains and dirt to leave your upholstery as good as new in less time.

FAST HEATING

Instantly cleans with hot water

Its tank is equipped with a resistance heating system that warms up the water in less than 1 minute, for better cleaning and total disinfection.

Total cleanliness for outdoor use

Bring the upholstery cleaner wherever you need it most and remove dirt and grime no matter where you are. Clean the interior of your car without worrying about time or wires and reach the most hidden corners of your garden.

UP TO 7 METRES

Do not limit yourself

Enjoy a wide range of action up to 7 metres¹ and don't limit your cleaning areas thanks to the 1.7 metre² hose.

AUTONOMY OF UP TO 60 MINUTES

Cleaning without interruptions

The cordless, battery-operated upholstery cleaners³, with a runtime of up to 60 minutes⁴, allow you to remove dirt wherever you are. Clean your car's upholstery or any other surface you wish without worrying about cables.

¹The operating range varies depending on the model.

²The size of the hose varies depending on the model.

³Double battery only available on the Conga Carpet&Spot Infinity XL model.

⁴The autonomy varies depending on the model.

XL TANK

Cleans everything in one go

Get rid of all the dirt thanks to its XL¹ tank, which prevents you from constantly emptying the tank. And once you're done, you won't have to worry about anything else. Its design is removable to make the process easier and more hygienic.

Vacuum attachment with hard bristle head.

Narrow nozzle.

Window accessory.

Vacuum attachment.

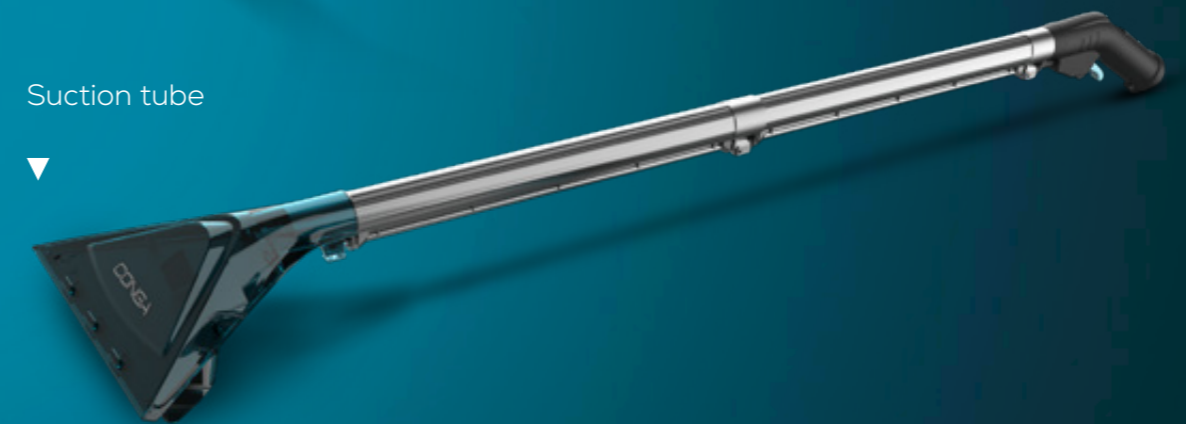

Self-cleaning accessory.

Plastic bristle attachment.

Suction tube

ACCESSORY KIT²

Maximum versatility in your hands

Clean multiple surfaces effectively and without damaging them thanks to its different attachments, now larger in size. What about dirt? Get rid of it in the most comfortable and hygienic way with its self-cleaning accessory³.

²Brush accessories vary depending on the model.
³Accessory not available on all models.
