# Pressure washers

## Maximum performance without effort.

Removes the most difficult dirt in the easiest way thanks to its high performance Brushless<sup>1</sup> induction motor that delivers maximum efficiency to achieve brilliant results quickly and easily.

## Give it a go! Never gets worn out

The Hydroboost is equipped with an aluminium pump<sup>2</sup> to always provide maximum performance and reduce wear during intensive and long cleaning periods. Enjoy powerful cleaning year after year and don't give dirt a break.

# The dirt will be removed in one go

Enjoy brilliant results the easy way, even when facing the toughest cleaning challenges. Get rid of dirt thanks to your Hydroboost and never get tired of cleaning.

3200 W POWER

## A jet of water that cleans anything

Forget about scraping or multiple passes and get rid of even the most stubborn dirt effortlessly thanks to a high power output of up to 3200 Watt.

540 l/h FLOW RATE

## Cleans faster than ever

It eliminates all dirt with a maximum flow rate of up to 540 l/h for extreme cleaning in record time.

 ADJUSTABLE INTENSITY

## Power to suit all needs

Select the intensity according to the surface and the difficulty of stains in order to clean deeply, precisely and quickly.

# Efficiency that stands up to challenges

Take control of the cleaning thanks to its different nozzles and remove dirt in the most precise way so that you don't spend more time cleaning than relaxing in your garden.

## ULTRAJET NOZZLES

### Customised pressure

What do you have to clean? Choose from a range of Ultrajet<sup>1</sup> nozzles and enjoy customised cleaning thanks to a water outlet angle between 0 and 40° to adjust the pressure based on your needs and the surface you are cleaning.

## 3D TURBO FLIP NOZZLE

### Cleans more in less time

Removes dirt from large surfaces in less time with this nozzle that allows to cover bigger areas so you don't spend too much time cleaning.

## ACTION RANGE

# Cleaning that goes further

Effortless cleaning thanks to its high precision that makes the pressure washer apply full power and pressure with equal efficiency covering an area of up to 14 metres.

# Push the limits with HydroBoost Liberty

## AUTONOMY

# Dirt will not be able to escape

Enjoy total freedom of movement and clean in the most comfortable way thanks to its battery<sup>1</sup> operating for up to 55 minutes. Forget about lugging the pressure washer, get rid of dirt effortlessly.

# HydroBoost 1400 Essential

Pressure washer-. Suitable for your home and harden. Powerful, efficient, and easy to carry.

## FEATURES:

Great power of 1400 W to remove the most stubborn dirt fast and efficiently.  
Maximum allowable pressure of 105 bar. Ideal for terraces, balconies, patios and pool edges.  
Maximum flow of 426 litres/hour, allows cleaning wider surfaces in less time. Cleaning your car or your terrace now will be faster than ever.  
Adjustable foam-soap bottle.  
The HardPump aluminium pump offers greater reliability and allows it to operate for more time than pumps made of composite materials.  
Handle for effortless transportation and a more comfortable operation during cleaning tasks that require moving.  
9-metre radius for comfortable use and total freedom of movement.  
Anti-impurities filter for a fast and easy connection of the water hose to the pressure washer.  
Easy and fast connection of the high-pressure hose and of the wand to the gun through iClick system.  
Auto Start-Stop gun system for greater safety and better control. Protects the motor and saves water.  
Allows placing and holding the gun vertically and without efforts on one of the sides of the main body. Moving and storing it is easier than ever.  
Ergonomic gun to clean comfortably and safely thanks to its BS-Block gun-lock system.  
3-metre high-pressure hose for a greater freedom of movement during use.  
Its wand, connected to the gun, allows cleaning less accessible and higher surfaces.  
It can be used with water at high temperatures, up to 50 °C, which helps eliminate difficult dirt.  
Anti-limescale filter to extend the lifespan of the product

# HydroBoost 10000 Liberty pressure washer with battery

180 W pressure washer with battery. 180 l/h maximum flow and 24-bar maximum pressure. Pressure regulator, ECO and Turbo mode. Up to 55-minute autonomy. Includes soap bottle and transport pouch.

### FEATURES:

Perfect cleaning with ForceSonic technology that performs a maximum power of up to 180 W. Maximum pressure of up to 24 bars that eliminates the harshest dirt.  
Cleans large surfaces in less time thanks to its powerful and great water flow of up to 180 l/h. Select the pressure level in accordance with the cleaning requirements. Choose between 2 modes: ECO and Turbo.  
Thanks to the Battery 20 V technology, with Li-Ion 2500 mAh and 20 V, it reaches a 55-minute\* autonomy and reduces the charging time to 3 hours.  
Includes adjustable nozzle to adapt the water jet to any situation and dirt type. Remove any type of dirt from any type of surface with its adjustable Multi Nozzle. Designed with up to 5 different outlet positions to adapt the water jet and prevent damage to delicate surfaces. It can be adjusted at an angle of 0°, 15°, 25°, 40° or at a watering position.  
It features Soap Cleaning system with a soap bottle that is attached to the lance's tip for a thick and long-lasting foam. Maintains pressure and removes dirt easily. Ideal for cars and bikes. Eliminates all the dirt and performs perfect results.  
Ergonomic and lightweight design for comfortable cleaning. Clean easily wherever you want thanks to the cordless technology and to its low weight.  
Easy attachment of accessories thanks to the iClick system that allows a fast and simple assembly.  
BS-Block safety system that locks the trigger to avoid the pressure washer from being accidentally activated. Easy and safe cleaning.  
Clean any type of surface thanks to its wide accessory kit. Includes MultiNozzle, soap bottle, 3D TurboFlip wand and transport pouch to store and easily carry the pressure washer.  
Cleans the harshest dirt from your car, bike, garden furniture or terrace without cables and at total comfort.  
Only Silence technology that reduces noise level to 69 dB for a silent cleaning.  
Absorbs water straight away from wherever you want thanks to its included 5-metre hose.

# Pressure washers with vacuum cleaners

*All in one!*

Conga Triton, the most complete range of pressure washers with vacuum cleaners: cleans, blows and vacuums solids and liquids. Incredible, isn't it? Join the outdoor and vehicle cleaning revolution to get rid of dirt in record time.

**120**  
BARS **PRESSURE WASHER**

## Eliminates the hardest dirt

It shoots water at a pressure of 120 bar and at a speed of 360 l/h, making dirt vanish in the blink of an eye! The ideal solution to remove the most stubborn dirt from cars, motorbikes, bikes, and garden tools.

**WET&DRY**

## All-terrain vacuum cleaner

Conga Triton absorbs all types of dirt, both solid and liquid, and adapts to any surface. Nothing will resist its high suction power of 15 kPa to make vacuuming your garden or car as comfortable and fast as possible.

**BLOWING SYSTEM**

## Dirt's worst nightmare

The pressure washer with a vacuum cleaner completes its incredible versatility with the blower function, a perfect ally for cleaning large gardens, facilitating cleaning in the autumn period or drying areas that have been cleaned with water for a perfect finish.

## Double the power

With its dual motor, you will be able to use all functions at maximum power! Achieve perfect cleaning with pressurised water with a maximum power of up to 1500 W. And it vacuums without limits both solids and liquids with a power of up to 1200 W. Enjoy all its possibilities with beastly power to effortlessly remove dirt from your garden and car.

## Give it a go! Never gets worn out

The Conga Triton pressure washers offer great versatility and the greatest reliability thanks to the HardPump. Designed with high quality materials to prevent wear during use and ensure the best results every time.

DESIGN

## Clean wherever you like

Dealing with outdoor dirt has never been so easy and convenient. Its ergonomically designed trigger gun has a 6 metre hose for convenient cleaning in any part of your garden or car. It also has wheels and a handle for easy transport and a BS-Block safety system that locks the trigger.

### ACCESSORIES

## Fully equipped

Become a fan of the versatility of the Conga Triton and its wide range of possibilities. Use its upholstery\*, corner\* and drying\* accessories, as well as 360 Brush\*, EasyClean\* and floor brushes and leave no trace of dirt behind. And thanks to its adapter\*, suction tube, lance with spray nozzle and soap tank, it will perfectly complement the cleaning of exterior areas.
