DIGITAL BRUSHLESS MOTOR

DIGITAL BRUSHLESS MOTOR

Efficient and long lasting

Its latest generation digital brushless motor provides higher speed, less noise and extends the life of the vacuum cleaner. It also ensures maximum efficiency with its Multiphasic System.

POWER UP TO 200 W

Unbeatable performance

Our handheld vacuum cleaners have a high power of up to 200 W which optimizes the performance of the device and responds to all your cleaning needs.

SUCTION POWER UP TO 20 KPA

Nothing can resist it

Designed to suck up even the toughest dirt, Cecotec's handheld vacuum cleaners feature up to 20 kPa for an effortless cleaning.

ACCESSORIES

Total versatility

Removes even the most stubborn dirt with the complete accessory kit that includes attachments for upholstery, furniture and corners.

BEST FRIEND CARE ACCESSORY

Cleanliness for you and your pet

Give yourself a break from cleaning thanks to the pet accessory, which allows you to brush your furry friend, capturing loose hair and vacuuming it up. This way, it will go directly into the tank of your vacuum cleaner and not onto your home's floor.

MOTORIZED ACCESSORY

Ideal for upholstery

Enjoy specialized cleaning thanks to its motorized brush that removes dirt from the upholstery of your car or home in the most efficient way.

AUTONOMY UP TO 40 MINUTES

Clean in just one go

Thanks to the up to 16.8 V battery, you can clean your house or car for up to 40 minutes without having to stop to recharge it.

Conga Rockstar Micro Essential

Conga Rockstar Micro Essential handheld vacuum cleaner with 90-W Digital Brushless motor and 13-kPa suction power. 40 minute range. 2 power levels. With 2in1 accessory, accessory for upholstery, and charging base.
