Combine functionality and art in your home

The new range of vintage appliances celebrates the return of retro aesthetics. Refrigerators, toasters, juicers, kneaders, microwaves, kettles, air fryers and coffee makers with curved lines and vibrant pastel colours that turn cutting-edge technology into exclusive designer pieces.

**Dress up your kitchen with
unique colours and designs**

Refrigerators and mini-fridges

Keep your food in the best conditions with our range of fridges and mini-fridges in line with the aesthetics of our new vintage line.

Bolero CoolMarket Combi Origin 294 Red E

Retro Combi Origin Red refrigerator with 294 L capacity, 190 cm high and 60 cm wide, E class, Total No Frost, Multi Cooling, Ultra Fresh, Convertible Box, Multi Air Flow, Fast Freezing, Eco Mode, Bottle cooler and door alarm.

FEATURES:

294 L capacity.
Class E: Save on your electricity bill thanks to an optimum energy rating.
Total No Frost: a system that prevents the formation of ice in the food and refrigerator, keeping food and nutrients for a longer period of time.
Multi Airflow: optimum temperature throughout the compartment that maintains the best possible food life for a longer period of time thanks to the uniform distribution of cold air.
Convertible Box: Vegetable crisper drawer with humidity valve that converts into a crisper drawer for meat and fish with temperatures between 0-3 °C by means of a knob.
Ultra Fresh: Air purification system with carbon filters which prevents unpleasant odours, protects your food and makes it last longer.
Fast Freezing. Freeze your food much faster.
ECO mode: Mode that reduces power and optimises energy consumption.
Multi Cooling: Separate cold distribution to avoid mixing of bacteria and odours between compartments.
Display: simple and convenient control of both the refrigerator and the freezer.
Door warning: Alarm that warns you when the refrigerator remained open for some time and is starting to lose temperature.

COMPOSITION:

Fridge, instruction manual.

Bolero CoolMarket Combi Origin 294 Black E

Retro Combi Origin Black refrigerator with 294 L capacity, 190 cm high and 60 cm wide, E class, Total No Frost, Multi Cooling, Ultra Fresh, Convertible Box, Multi Air Flow, Fast Freezing, Eco Mode, Bottle cooler and door alarm.

FEATURES:

294 L capacity.
Class E: Save on your electricity bill thanks to an optimum energy rating.
Total No Frost: a system that prevents the formation of ice in the food and refrigerator, keeping food and nutrients for a longer period of time.
Multi Airflow: optimum temperature throughout the compartment that maintains the best possible food life for a longer period of time thanks to the uniform distribution of cold air.
Convertible Box: Vegetable crisper drawer with humidity valve that converts into a crisper drawer for meat and fish with temperatures between 0-3 °C by means of a knob.
Ultra Fresh: Air purification system with carbon filters which prevents unpleasant odours, protects your food and makes it last longer.
Fast Freezing. Freeze your food much faster.
ECO mode: Mode that reduces power and optimises energy consumption.
Multi Cooling: Separate cold distribution to avoid mixing of bacteria and odours between compartments.
Display: simple and convenient control of both the refrigerator and the freezer.
Door warning: Alarm that warns you when the refrigerator remained open for some time and is starting to lose temperature.

COMPOSITION:

Fridge, instruction manual.

Toasters

Our retro toasters are the perfect combination of functionality and design. Have breakfast, a snack or dinner with your favourite crunchy and delicious toast.

Toast&Taste 800 Vintage Light Blue

Steel toaster with 2 short extra-wide slots with capacity for 2 slices of toast.

FEATURES:

Double-slot toaster with capacity for 2 slices of toast and 850-W maximum power.
Its 2 3.8-cm extra-wide slots allow inserting thick and large bread loaves.
Blue-lacquered stainless-steel elegant design and chrome finish.
It includes 3 preset functions: Reheat, Defrost at once and Cancel to interrupt the toasting process when desired.
Electronic adjustable time control with 5 different power levels to adjust the bread toasting level.
Extra-lift Function to remove bread easily, especially useful to remove smaller pieces.
Crumb tray, easy to remove for fast and simple cleaning.
Operation indicator light.
Self-centering system to achieve a completely uniform toast on both sides.
Non-skid base and cord-storage slot.

COMPOSITION:

Toaster, warming rack, instruction manual

-  31 x 22.5 x 20.5 cm 1.89 kg
