## FOOT WARMERS

### Warmth for your feet

Keep your feet warm and comfortable while working or resting, perfect for creating a personal comfort zone where cold has no place.

## ELECTRIC BLANKETS

### Daily well-being

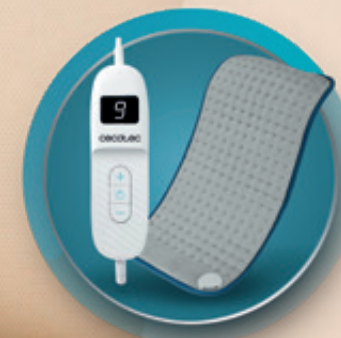

Enjoy warmth anytime, whether on the sofa, reading or relaxing. With polar fleece padding and soft fabrics like coral, sherpa or flannel, they offer you customised, comforting warmth.

## ELECTRIC HEATING PADS

### Targeted comfort

Compact and easy to use, they are the perfect allies to accompany you at home, in the office or during your travels, providing targeted, comforting relief.

## UNDERBLANKETS

### The warmest rest

Practical and simple to use, they will be your ideal companions for bed, ensuring a warm and comfortable rest while adapting to your temperature needs.

UP TO 9 LEVELS<sup>1</sup>

## Custom temperature

Our products feature up to 9 different temperature levels, allowing you to adjust the warmth to every moment and need.

UP TO 200 W<sup>2</sup>

## Assured efficiency

Enjoy instant and efficient warmth thanks to its up to 200 W power output. Say goodbye to cold!

LCD CONTROL

## Extra-long comfort

Its LCD control allows for easy and intuitive use, while its extra-long cable provides the daily comfort you deserve.

AUTOMATIC SHUT-OFF

## Safe use

Prevent accidents and enjoy peace of mind thanks to the built-in automatic shut-off and overheating protection system.

REMOVABLE CONTROLLER

## Pop it in the washing machine and done!

Thanks to its detachable LCD controller, washing is easier than ever. Pop it in the washing machine and enjoy the freshest warmth, every time.

# HeatConfort 6000 ThermalPad

30X60 heating pad for lumbar region, neck, shoulders, etc.

### FEATURES:

Great coverage area. Thanks to its size of 30 x 60 cm you will be able to cover a larger area and get pleasant comfort. It is also made with an extra-long cable for easy movement and comfortable lying down.

Adapts to your needs. Its 9 temperature levels will allow you to adapt the necessary heat to every circumstance and need you have, for total relaxation.

Optimum performance. 100 W power for optimum performance in every use.

Total control. With its high quality LCD controller you have full control of the appliance for customised use.

Maximum safety. It features a timer with automatic switch-off for up to 120 minutes and an overheating protection system to save energy and ensure safety.

Easy washing. Thanks to its removable LCD controller you can easily wash the appliance in the washing machine.

### COMPOSITION:

Controller, appliance, instruction manual

# HeatConfort ThermalBlanket Frannel (160 x 130)

160x130 electric blanket with automatic shut off and 9 adjustable temperature levels. Flannel fabric.

### FEATURES:

Great coverage area. Thanks to its size of 160 x 130 cm for large surfaces, you will get pleasant comfort even in single beds. It is also made with an extra-long cable for easy movement and comfortable lying down.

Adapts to your needs. Its 9 temperature levels will allow you to adapt the necessary heat to every circumstance and need you have, for total relaxation.

Optimum performance. 160 W power for perfect operation.

Maximum comfort and warmth. 220 gr polar fleece for maximum comfort and warmth in every use.

Total control. With its high quality LCD controller you have full control of the appliance for customised use.

Maximum safety. It features a timer with automatic switch-off for up to 180 minutes and an overheating protection system to save energy and ensure safety.

Easy washing. Thanks to its removable LCD controller you can easily wash the appliance in the washing machine.

### COMPOSITION:

Controller, appliance, instruction manual

# HeatConfort ThermalBlanket Sherpa (160 x 130)

160x130 electric blanket with automatic shut off and 9 adjustable temperature levels. Flannel fabric.

## FEATURES:

Great coverage area. Thanks to its size of 160 x 130 cm for large surfaces, you will get pleasant comfort even in single beds. It is also made with an extra-long cable for easy movement and comfortable lying down.

Adapts to your needs. Its 9 temperature levels will allow you to adapt the necessary heat to every circumstance and need you have, for total relaxation.

Optimum performance. Power of 160 W for perfect performance.

Maximum comfort and warmth. High quality 240 gr polar fleece and sherpa fabric for maximum comfort and warmth in every use.

Total control. With its high quality LCD controller you have full control of the appliance for customised use.

Maximum safety. It features a timer with automatic switch-off for up to 180 minutes and an overheating protection system to save energy and ensure safety.

Easy washing. Thanks to its removable LCD controller you can easily wash the appliance in the washing machine.

## COMPOSITION:

Controller, appliance, instruction manual

# HeatConfort ThermalBlanket Coral (160 x 130)

A warm, dimly lit living room. On the right, a lamp with a white shade hangs from the ceiling, casting a soft glow. A red star-shaped decoration hangs from the lamp's cord. Below it, a light-colored sofa with a tufted backrest is visible. A red and black plaid blanket is draped over the left side of the sofa. The background is a dark, textured wall. The floor is covered with a light-colored, patterned rug.
