THERMOSTAT KNOB

# Ready Warm 2000 Now mica panel heater

Mica heating plate with 2000 W, adjustable thermostat and 2 power levels

### FEATURES:

Mica plate with 2000 W of power to achieve a warmer atmosphere in the room in which it is placed.  
Perfect for a warmer atmosphere in rooms of about 25 m<sup>2</sup>.  
It has an adjustable thermostat, thanks to which it is possible to select between 2 power levels with 1000 W and 2000 W.  
Combination of radiant and convection heat.  
Fast heating in less than 1 minute.  
Thanks to its lightness combined with the presence of wheels, the mica plate is ideal for moving between rooms in the home.  
It counts on 2 knobs that allow the user to select power and operating modes easily.  
It features a triple security system: auto shut-off, protection against tipping over or overheating, and grid that prevents finger from being inserted inside the device.

### COMPOSITION:

Instruction manual, feet and brackets, radiator plate, wheels

# Ready Warm 3000 Now mica panel heater

Mica panel heater, mechanical, 2400 W and adjustable thermostat.

### FEATURES:

Super-powerful mechanical mica panel heater.  
Great maximum power, 2400 W (MaxWarm).  
Adjustable thermostat with 3 power levels to optimise energy consumption: Minimum power 1000 W (eco), medium power 1400 W and maximum power 2400 W.  
Instant and even heating around the whole room (NowWarm).  
Mica heating element, which heats room very fast while energy is saved.  
WarmSpace technology, capable of efficiently heating 25 m<sup>2</sup>.  
Overprotect System, protection against overheating: AutoOff System that stops the fan heater from operating when it is excessively hot.  
Tip-over safety system: the fan heater stops automatically when it is moved, placed in an unusual position or when it falls.  
EasyGo system for easy transportation. Includes ergonomic handle and multi-directional wheels that allow you to move it comfortably.  
Power indicator light.  
Tip-over safety system.  
Includes feet and wall bracket for different installation options.  
Complies with environmental safety and protection current legislation.
