MICROWAVES

2024

A modern kitchen with dark wood cabinets and a built-in microwave. The microwave is integrated into the cabinetry, featuring a black glass front and a digital display. The kitchen has a clean, minimalist design with a white countertop and a stainless steel sink. A small island with a curved top is visible in the foreground.

Your perfect cooking ally

Dive into our range of microwaves, designed to meet all your needs. Fall in love with the aesthetics of the retro models and the elegance of the built-in models. Take advantage of the versatility of the microwaves without turntable or get the most out of your kitchen with the Inverter technology, which achieves uniform and delicious results.

Proclean 5110 Green

20-l digital microwave with grill, 700 W.

FEATURES:

Suitable for large recipes. 20 litre capacity for reheating all kinds of recipes without worrying about space.
Perfect results in no time. 700 W of power that guarantees perfect results without long waits. 800 W grill. The microwave not only heats, but also grills and browns your favourite dishes with its powerful 800 W grill. Crunchy and delicious results.
Recipes always to your liking. 6 power levels to ensure that each food is at the ideal temperature.
Defrosts evenly. Defrost mode tempers the food and completely defrosts the food.
End of cooking beeping. Beeping sound that saves you from having to keep an eye on the microwave.
Cooking to your taste with just one button. 8 programmes available to achieve the ideal cooking for each recipe.
Set the operating time. Timer up to 30 minutes to conveniently reheat each dish to the exact time.
Avoid risks. Safety lock that prevents children from using it, thus avoiding risks and worries.
